

### **Freedom of Information Act request**

Your request for information using the Freedom of Information Act 2000 legislation was received in the office of the Police and Crime Commissioner on 4 April 2017.

You specifically asked:

***“Can you please provide me with copies of all correspondence between David Jamieson and Dudley Council’s Chief Executive Sarah Norman regarding speed cameras on Birmingham New Road, Dudley.”***

and further:

***“I would like the information in electronic format if possible.”***

I can advise you that the information you seek is held by this office and I am therefore attaching copies of that correspondence up to and including the date of receipt of your request.

Yours sincerely

**Jonathan Jardine**  
**Chief Executive**
