05 December 2016

Dear resident,

You may recall that in the spring of this year you very kindly responded to my call for evidence regarding the incident and subsequent delays on the M6. You had some involvement in the hold up of 6th February 2016, and I went on to use your feedback in the hearing I held in March 2016 to ensure lessons were learnt by partners across the region.

I am writing to assure you that the hearing and its recommendations have not been left to gather dust. I have been actively monitoring progress against our recommendations throughout the year, and am pleased to inform you that a follow-up hearing is now scheduled to be held in public on Tuesday 20th December 2016.

If you have anything to add based on more recent experiences of the M6, I would welcome further feedback. We are seeking to ensure that the interests of the economy in the West Midlands are better protected in future and that inconvenience to motorists is avoided.

Please respond to this e-mail if you would like to receive a copy of the report of the follow-up hearing once it is published.

Best regards,

David Jamieson
Police and Crime Commissioner
