	<i>but performance against targets was not year -end and did not include any monitoring or outcome evaluation.</i>			
COVENTRY				
Alignment to Police and Crime Plan	Performance: Impact and Risk Assessment	Innovation items/ What is performing very well	Community engagement	Marketing/engagement with OPCC on projects
All activity supports priorities within the Police and Crime Plan	<p>Mentoring of high risk serial domestic violence perpetrators 657 individual 1-1 sessions. Contracted to manage 20 cases at one time, currently carrying 20% above that.</p> <p>Compass Aspires The Early Intervention Service is independently evaluated by Coventry University Administration</p> <p>Substance Misuse Contributes to the Young person’s substance misuse service delivered by Compass. It allows for greater drug/alcohol input into young offenders – under 18 years of age. Total of 82 clients engaged. 96% had a planned discharge, 19% discharged</p>	<p>Mentoring The Partnership utilized Coventry University’s Behavioural Science department to evaluate the impact of this work. DV offences have shown a significant drop in the service referrals from 170 to 14 in comparison to previous matching period. Report found early signs of real and tangible changes in behaviour. Multiple cases who now show total desistance from all DV and all crime during engagement period and post exit.</p> <p>Compass Aspires and</p>	Where appropriate, service user consultation is undertaken. Engagement has informed the Positive Youth Foundation programmes in particular, a local scrutiny panel oversees OOC activity and a the ITSS Unpaid Work project has a website under	PCC invited to CRASAC meetings and AGM

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>drug free, and 69% were discharged with occasional use. 100% of referrals scored 6+ on multiple vulnerabilities. YOS was able to reduce their vulnerabilities by 34%.</p> <p>Positive Youth Foundations – CSE and personal development activity Target population are referred young people involved in or at risk of CSE related matters. 799 young people engaged 699 male, 130 female. Support given by the Police and local partners to 93 females and 31 young males.</p> <p>Integrated Youth Support Services – Funding contributes to the provision of the Counselling Volunteer Co-ordinator, also have 6 counselling volunteers. It includes Out of Court disposals (OOC), parenting and Unpaid Work projects. OCDD has had a significant increase in volume and screening is enabling earlier intervention. In 2014/15 152 OOC's, increase of 42% (45 cases) Q4 had 38 OOC. A positive impact has been recorded on re-offending rates; an average of 7.3%</p>	<p>Aspires Early Intervention Service Joint funded with Public Health. Personalised behavioural change support to people aged 10-18 at risk of substance mis-use, poor sexual health, abusive relationships, and teenage pregnancy. The service is trusted by 39 different agencies with 95% of clients having planned discharges</p> <p>CRASAC Gap in counselling of adult male victims of sexual violence identified and provided. Majority of service users are adult survivors of childhood sexual abuse. The counselling service is expanding to include volunteer counsellors, enabling them to respond to sharp increases in demand, reducing waiting times. The Counselling Volunteer Co-ordinator ensures support and clinical</p>	<p>development by the City council's Comms Team.</p> <p>CRASAC outreach work supported 150 community support sessions during 2014/15 in 12 different locations with 1,786 women, girls and men attending.</p> <p>The CSE Practitioners Group is currently undertaking focus groups with young people.</p> <p>CSE Awareness Day</p>	
--	--	---	--	--

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>of cases re-offend from the O OCD group compared with 21.2% from the court disposal group. Parenting: 42 new cases, 24 closures. Funding of £13,636 contributes towards YOS staffing costs to run parenting activities Unpaid Work: Project seeks to reduce offending. Referrals increasing from magistrates due to confidence in project. The Roman Lunt Fort is main project, providing a multi-purpose pod, offering 1-1 sessions tailored to specific need. 75% attendance. 4 new court orders given in Q4. Also offering reparation project Bake – It, funds used to purchase equipment. Too early to identify impact on reoffending on this current cohort. Youth Programmes: Impact of a market decrease in ASB and reported youth nuisance in target areas. Anecdotal reports of young people taking a more active role in their communities, six people have moved into paid employment through the project, 13 are regular volunteers. Further funding applications for funding to be made</p>	<p>supervision. 6 volunteers recruited. IYSS Unpaid Work Innovative project which is now registered with the Open College Network to be able to accredit the education and training work Communications Activity during CSE Awareness week; social media, bus ticket advertising, posters and leaflets, See Me Hear Me banner at Council House.</p>	<p>was 'huge' on social media, with Police and councillor support messages used.</p>	
--	---	---	--	--

	<p>2015/16</p> <p>Coventry Rape and Sexual Abuse Centre – specialist counselling support. Victims of sexual violence are supported to regain the critical choice/control in their lives and to move on.</p> <p>Communication programme around sexual exploitation. Facebook campaign reached 22,800 people; twitter reached 82,400 people, predominantly reaching the target age group of 35-44.</p> <p>Mental Health Triage Team for March 2015: funding contributes to the overall cost of delivering the project.</p> <p>Overall projects demonstrate effective partnership working and sound commissioning of services from providers able to cope with variations in demand. Risk analysis section completed comprehensively – and time is being invested in securing funds to ensure continued delivery in the face of increasing demand and reduced grant allocation. A specific mention of the possible impact from the revised Youth Justice Board guidelines on Unpaid Work Requirement</p>

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

WALSALL				
Alignment to Police and Crime Plan	Performance: Impact and Risk Assessment	Innovation items/ What is performing very well	Community engagement	Marketing/engagement with OPCC on projects
Activity is aligned to priorities within the Police and Crime Plan	<p>Drug Intervention Programme Support for workers within the CJS to maximise the engagement of offenders with substance misuse problems related to their offending. Data given was up to May 2014 only but indicates 54% of clients leaving treatment in a planned way for drug and alcohol treatments.</p> <p>Youth Crime Prevention Activity TYS Triage is a joint initiative between WMP, Walsall Youth Justice service and the Targeted Youth Support Service and aims to identify and divert young people away from the criminal justice system at the earliest opportunity, (ages 10-17) whilst increasing the collaborative involvement of victims and witnesses, and increasing decision making at the point of arrest or community resolution to produce targeted and proportionate interventions. The impact has been a 24.2% reduction in first time entrants to the CJS. This is also evident in the re-offending rates for the cohort;</p>	<p>Substance misuse assessments of young people who are offenders or at risk of offending. Of the 250 assessment screened, 39.6 were referred for specialist intervention which is an increase. Data is showing that 77% of young people in the CJS cohort smoke in Walsall, 5 times that in the general population, and cannabis use by the cohort 10 times higher .Drug intervention is therefore a critical part of reducing reoffending.</p> <p>ASB Proactive cross agency working to respond to the 2014 ASB Act. Community Triggers tested and incorporated into a coordinated response across</p>	Community engagement will continue as part of the ASB initiative for promoting new tools and powers and as part of a planned evaluation of the coordinated approach.	None to date, but potential identified for ASB tools and powers branding and publicity and further local reporting of the injunction prohibiting car cruising.

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>Baseline 2005 number in cohort 291 Sept 2014 number in cohort 68 2005 Number reoffending in 3 mths 59 Sept 2014 Number reoffending in 3 mths 11 2005 number of re-offences within 3 months 114 Sept 2014 number of re-offences within 3 months 32</p> <p>Borough Analyst Production of monthly tasking documents to drive partnership activity, including ASB to increase coordination around ASB tasking.</p> <p>Domestic Abuse 785 victims of domestic abuse have been supported by the 2 Independent DV Advocates. The number of incidents recorded on MODUS equates to 3649. No details given on whether this is an improvement in reporting and support levels.</p> <p><i>Domestic Homicide reviews</i> 2 DHR's submitted to the Home Office <i>Cross Border S222 Injunction Initiative</i> involving 4 neighbouring L.A.'s. to prevent car cruising and associated</p>	<p>six Area Partnerships and development of an ASB Manual of Guidance. <p>bringing offenders to justice and tackle reoffending, supporting stronger communities and making our neighbourhoods safer places and support the priorities within the Police and Crime Plan</p>	<p>treatment. No commentary.</p> <p>Drug Treatment Team This activity has now been mainstreamed. No impact commentary.</p> <p>Youth Offending Service Contribution to service budgets aiming to prevent and reduce youth crime. Youth re-offending performance data shows a slight improvement from 27.7 % reoffending after 12 months down to 25% in Q2</p> <p>Positive Futures The programme provides a referral mechanism for professional agencies. Response provision in crime hotspots, positive activity to engage young people and volunteering opportunities on community and environmental projects. No commentary apart from a slight increase in the number of environmental champions.</p> <p>Domestic Abuse IDVA and MARAC Services Contribution to commissioned services for Independent Domestic Abuse Advocates and multi-agency risk assessment conferencing. No impact commentary.</p>	<p>Management and are co-located with Probation and other Police at Chelmsley Wood Police Station.</p> <p>ASB service ASB hotline and website reporting. Clear performance targets and all residents reporting serious incidents will be contacted within 24 hours, 3 days for minor incidents. House Mark awarded to the service in 2013 for 3 years. The team have been instrumental in bedding in new partnership policies and procedures in line with 2014 ASB Act.</p> <p>Stronger communities % of population participating in formal volunteering in Borough 42.1%</p> <p>Reduction in public place violence There were 32 fewer victims in</p>	<p>people using or dealing drugs was an issue. Reduced from 22% in 2011/12 to 15% in 2014/15</p>	
---	---	---	--	--

	<p>A contribution is made to a Partnership Analyst</p> <p>A contribution is made to a Community Tasking Fund</p> <p>ASB Service Cross tenure service. Operation of ASB hotline and reporting via website. Performance indicator that numbers of incidents dipped in Q1 from 2763 to 788 but in Q3 have returned to 2232. No explanation given regarding the steep rise in numbers or impact.</p> <p>Domestic Homicide reviews Supports costs associated with Domestic Homicide reviews.</p> <p>LPCB contribution Contributions to ensure partnership practitioners have a full understanding of domestic abuse. Rates of domestic abuse incidents by the Police have remained static.</p> <p>LPCB CSE officer Contribution to officer coordinating partnerships response to CSE. No commentary on impact</p>	<p>August and September and 19 fewer reports of public place violence. A refreshed policing plan for the night time economy, briefings for town centre staff and security staff.</p> <p>No impact data given for PCC Innovation Funded post to support domestic violence victims and to understand the drivers behind violent crime.</p> <p>Streetscape design altered to deter groups congregating which had led to confrontations. Introduction of dedicated offender manager for violent offenders but no impact data provided.</p> <p>Overall crime falling.</p>		
--	--	--	--	--

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>Business crime Business crime equates to 23.2 % of all reported crime. Bilking is still on the increase in line with national trends. Positive police actions in town centres, the NEC and airport have reduced retail and commercial theft and commercial vehicle crime. There is a weekly business crime review.</p> <p>Risk Assessment is made to CSF funding as a whole but is not done on an individual activity basis. The report back does not give any outcome reporting on spend or activity. This will be addressed in the reporting for 2015-16.</p>			
WOLVERHAMPTON				
Alignment to Police and Crime Plan	Performance: Impact and Risk Assessment	Innovation items/ What is performing very well	Community engagement	Marketing/engagement with OPCC on projects
Activity is aligned to the Police and Crime Plan.	<p>Substance Misuse: Criminal Justice service coverage 3 clinics a week are run to support integrated offender management. Cell sweeps take place twice a day with 70-90 positive drug tests per month, 50%</p>	<p>Criminal Justice DV Advisor role at Wolverhampton Specialist DV Court. Provides support to victims pursuing criminal prosecutions. Attrition rates for DV are high so this</p>	A community reference group has been established to review community	None itemised.

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>then referred for treatment. Drug training for officers, supporting police operations around homelessness and begging and contributing to a sex working action plan.</p> <p>Community Issues: Needle Exchange Needle exchange return rates have increase by 60% from last year. Revised action plan now in place in Q4.</p> <p>Violence against women and girls (VAWG) Funding for a Criminal Justice Support Services Co-ordinator and part fund a high risk Independent DV Adviser; to reduce violence against women and girls, reduce repeat victimisation, reduce serious harm and homicides and increase the number of perpetrators brought to justice. Crisis intervention for 270 victims in 2014/15. Joint screening and assessment of 2796 victims. Projects funded through CSF contribute significantly to multi-agency action plans around early intervention in domestic violence cases and the prevention of serious harm and homicide.</p> <p>Reducing reoffending – Youth Offending</p>	<p>role provides support and advice, promotes the appropriate use of orders at court to safeguard victims and children and increasing the number of offenders brought to justice. 625 perpetrators brought to justice with a 72% success rate. This represents a 45% increase in the number of cases brought to court and a 50% increase in positive outcomes.</p> <p>Appointment of a MARAC Co-ordinator As a result of the post, training and awareness there has been a 47% increase in the number of cases brought to MARAC this year and 25% of all referrals are now from other partners.</p> <p>Reductions in adult re-offending Current performance for the Safer Wolverhampton</p>	<p>responses to gangs particularly during times of heightened tensions.</p> <p>A needle litter project has direct involvement of local residents and officers in Whitmore Reans and also uses Community Payback.</p> <p>Wolverhampton Domestic Violence Forum is responsible for awareness sessions and presentations to Housing Staff, Social Workers and Third</p>	
--	--	---	--	--

Performance Analysis of CSF returns from Local Police and Crime Boards 2014-15

	<p>21 new ONSET assessments in Q4 and 21 intervention plans. Many relate to higher end out of Court disposals (O OCD)</p> <p>A new west midlands scrutiny programme is currently developing in relation to youths. Detailed case studies are included.</p> <p>Adult offending In common with many authorities, The IOM programme now incorporates domestic abuse perpetrators. Agencies are now co-located at Wolverhampton Police Station. In Q4: 70 prolific offenders, 24 High crime users drug misuse) 4 DV offenders and 34 guns and gangs cases managed.</p> <p>Gangs and Youth Violence 3 Commissioned specialist local providers deliver targeted intervention. The work covers individuals at medium/high risk, women and girls linked with gangs, community mediation to respond to community tensions involving gangs. There is also commissioned early intervention work which is currently being evaluated. Strategic planning continues by</p>	<p>Partnership is 25.1% better in its reduction rate than predicted.</p> <p>The number of offenders moving into stable employment by the end of an order/licence is above target (45%) at 48.8%.</p> <p>The number of offenders moving into stable accommodation by end of order/licence is on track (target 87%) at 83.8 %</p>	<p>Sector organisations.</p> <p>Youth Offending – some victims are involved in a restorative justice process. Volunteers work with system entrants.</p> <p>PACT structures across the City engage with communities in all areas of crime and community safety. Consultations by SWP inform strategies and plans which are published.</p>	
--	---	---	--	--

	<p>stakeholders. A new gangs profile will inform a new Gangs strategy post Dec 2015. Substance Misuse Data up to Q3 shows delivery of interventions to 397 young people, 276 discharged successfully. A conversion rate of around 54% to complete discharge. National monitoring data has been unavailable since Q2. Key risks to services are identified as being:</p> <ul style="list-style-type: none"> • VAWG retention of staff due to short term funding regime. Plans for more sustainable funding strategies for next three years. • Servicing lower end OOCd remain a challenge as resources used up servicing higher level needs receiving OOCd • Transforming Rehabilitation changes to the former Probation Service <p>Overall, SWP demonstrates good partnering arrangements, efficient target setting and good monitoring and evaluation. The report effectively explains why services are being</p>
