

**STRATEGIC POLICING AND CRIME BOARD
19 June 2018**

**Questions from the Board on matters not on
the agenda**

- Q1. Can the Chief Constable confirm whether West Midlands Police uses facial recognition technology and if so, in what circumstances; and what are his plans for future use of facial recognition technology?
- Q2. Can the Chief Constable confirm whether West Midlands Police, as a matter of routine, check the immigration status of victims of crime and if so, what actions are taken where the checks reveal an irregular immigration status? Can he also confirm the number of victims this has involved in each of the last three years?

(Both questions to be asked by Gurinder Singh Josan)
