RECITALS

- (A) Following the review of the Association of Chief Police Officers (ACPO) by General Sir Nick Parker, the ACRO Criminal Records Office (ACRO) was identified as having an essential responsibility for the delivery of its core areas of expertise. However, it was agreed that

future public funding was to be reorganised in some cases, so as to align more effectively with individual force contributions. Police and Crime Commissioners (PCCs) were invited to review the continuation of ACRO and the hosting arrangements. The PCCs agreed that ACRO continues to offer value for money and that the hosting provision currently in place with Hampshire Constabulary should be retained.

- (B) In order to ensure that ACRO can continue to be sustained, it is necessary to provide a vehicle to ensure that collaborative and co-ordinated policing activity can take place. For this purpose, the Parties, with the support of the Home Secretary have agreed to deliver national services for ACRO, which shall be hosted by the Hampshire Constabulary (the "Host Force"). Direction and Control in relation to ACRO shall rest with the Chief Officer of Hampshire Police.
- (C) This Agreement is made pursuant to Section 22A Police Act 1996 (as amended) which enables police forces, local policing bodies as defined in that Act and other parties as defined in that Act to make an agreement about the discharge of functions by officers and staff, where it is in the interests of the efficiency or effectiveness of their own and other police force areas. By entering into this Agreement, the Parties have taken account of the statutory guidance for police collaboration published by the Home Office in October 2012 in exercise of the Home Secretary's power under Section 23F Police Act 1996, to provide guidance about collaboration agreements and related matters.
- (D) The Parties have further taken account of the requirements of Section 24 Police Act 1996 in respect of matters in relation to the mutual aid between forces so as to allow the Police Service of Northern Ireland, Police Scotland and other signatories to this Agreement to participate in this Agreement insofar as they are able to do so, either as a party to this agreement or through other agreements. Initially the arrangements with Scotland and Northern Ireland will be recorded in a side letter.

It is acknowledged by the Parties that ACRO is not a legal entity in its own right.
- 3.3 The Parties agree that the ACRO Activities are being provided to further protect the public. All Parties shall look for opportunities to collaborate and share services where this is appropriate in the circumstances and saves police funds.

4. **GOVERNANCE AND REVIEW OF THE TERMS OF THE AGREEMENT**

General issues in relation to governance

- 4.1 ACRO will be set up pursuant to the arrangements as defined in **Schedule 2** (Accountability and Governance) and will be governed accordingly.
- 4.2 The Parties agree that the governance arrangements for the Agreement need to allow business as usual to take place effectively, efficiently and swiftly.
- 4.3 The ACRO/UKCA Governance Board will be established pursuant to the terms set out in **Schedule 2** (Accountability and Governance) to have oversight of the decisions of the Chief Executive of ACRO and to recommend courses of action to the Chief Officer of the Host Force in relation to the ACRO Activities.
- 4.4 The Parties shall procure that the ACRO/UKCA Governance Board shall be consulted on strategic decisions and be asked to make referrals and recommendations to the Chief Officer of Hampshire. The Parties shall also procure that the ACRO/UKCA Governance Board refers matters to the Chief Constables' Council when requested and where the matter is determined as being relevant to be referred to the Chief Constables' Council. The Parties agree that (without limitation) the following matters may be appropriate to be referred to the Chief Constables' Council: agreement of the Service Plan; agreement of the budget pursuant to **clause 12** where there is an expectation of a contribution from forces; performance of the International Crime Conviction Exchange.
- 4.5 With regard to the delivery of the UKCA-ECR, the Home Secretary has designated responsibility to deliver the UKCA-ECR to the Chief Constable of Hampshire Constabulary as set out in section 64 of The Criminal Justice and Data Protection (Protocol No. 36) Regulations 2014 (Statutory Instrument 2014 No 3141) The Parties agree that it is within the power of the Chief Constable of Hampshire to appoint the ACRO Chief Executive of ACRO to carry out this responsibility on their behalf. The Parties acknowledge that the Home Secretary may provide a Letter of Comfort to the Chief Constable of Hampshire in relation to this.
- 4.6 The Parties agree that this Agreement shall be reviewed by the ACRO/UKCA Governance Board or such other third party organisation as the Parties agree on a date no later than three (3) years after the Effective Date and thereafter on at least three (3) yearly intervals. The purpose of such review is to establish whether any amendments are required to the governance structure for ACRO, what the funding requirements will be and what the structure will be for the subsequent three years. Any appropriate and agreed amendments shall be made by the Parties to this Agreement following consideration by the ACRO/UKCA Governance Board.
- 4.7 Subject to **clause 4.10**, the Parties shall be entitled to propose a variation to the Agreement by presenting a proposal to the ACRO/UKCA Governance Board for consideration with appropriate information to allow a variation to be properly considered.
- 4.8 The Parties acknowledge that not every Party to this Agreement shall be personally represented on the ACRO/ UKCA Governance Board and that this reflects the way in which decisions are made by the ACRO/UKCA Governance Board as at the date of this Agreement. If any Party is not represented on the ACRO/UKCA Governance Board, that Party shall be entitled to raise any issues, queries, representations or concerns with the ACRO Chief Executive prior to any meeting of the ACRO/UKCA Governance Board. The ACRO Chief Executive shall use reasonable endeavours to ensure that such issues, queries, representations or concerns are put to the ACRO/UKCA Governance Board and shall, so far as is reasonably practicable, provide feedback to the relevant Party on the decisions taken by the ACRO/UKCA Governance Board.
- 4.9 The Parties shall use all reasonable endeavours to ensure that there is continuous improvement and review of the responsibilities to be carried out by ACRO to ensure that the objectives of this Agreement can be achieved. The Parties shall procure that the ACRO/UKCA Governance Board shall continually review the arrangements for ACRO to ensure that any required efficiency savings are met and that value for money is achieved.

- 4.10 The Parties acknowledge and agree that this Agreement will need to be managed flexibly from time to time (without making changes to the terms of this Agreement) in accordance with the governance structure to accommodate:
- 4.10.1 changing demands;
 - 4.10.2 the practical requirements and day to day running of ACRO; and
 - 4.10.3 the requirements of the NPCC.
- 4.11 If it is agreed pursuant to the Governance Arrangements for ACRO that an amendment is required to the terms of this Agreement, then, subject to **clause 4.12**, this Agreement shall be amended accordingly.
- 4.12 The Parties agree that if any minor amendments are required to the terms of this Agreement, then such amendments may be approved by the ACRO/UKCA Governance Board and the Chief Officer of the Host Force. Where an amendment is required to this Agreement which is over and above a minor amendment (which shall be determined by the ACRO/UKCA Governance Board and the Chief Officer of the Host Force), such amendments shall be approved by all of the Parties to this Agreement. For the avoidance of doubt, any change to the FSS Allocation shall not be deemed to be a minor amendment and shall require the approval of all of the Parties to this Agreement.
- 4.13 Any amendments to this Agreement shall be documented and signed on behalf of all relevant Parties by the ACRO/ UKCA Governance Board.

Governance in relation to ACRO

- 4.14 The role of the ACRO/UKCA Governance Board shall be to advise, guide and support the Chief Officer of Hampshire and the ACRO Chief Executive to deliver their responsibilities under this Agreement, it being acknowledged that although the Chief Officer of Hampshire shall take account of the views of the ACRO/UKCA Governance Board and shall wherever possible follow the recommendation of the ACRO/UKCA Governance Board the Chief Officer of Hampshire shall retain Direction and Control in relation to ACRO/UKCA and shall be entitled to make a decision which is contrary to the decision made by the ACRO/UKCA Governance Board.

5. POLICIES

- 5.1 Subject to **clause 8**, the Chief Executive of ACRO shall be responsible for determining how operational activities shall be carried out. The Parties shall procure that ACRO shall comply with Host Force policy and procedures with regard to the Support Services including financial regulations, and contract standing orders.
- 5.2 The Parties to this Agreement shall follow all relevant national policies and procedures as well as and as far as practicable and subject to **clause 5.3** the policies and procedures of the Host Force in respect of the objectives of this Agreement and the handling of data and information. - 5.3 It is recognised by the Parties that, due to the nature of the activities carried out by ACRO, there are certain circumstances where the policies of the Host Force in relation to operational activities shall not be appropriate to ACRO and in such circumstances and provided that the Chief Officer of the Host Force has approved the relevant derogations from the policy of the Host Force (having taken into account the recommendations of the ACRO/UKCA Governance Board), the appropriate national policy shall be complied with.

6. **FOCUS AND FUNCTIONS TO BE CARRIED OUT BY ACRO, INCLUDING RESPONSIBILITIES**

Where the Host Force withdraws from this Agreement, it shall discuss and seek to agree with the ACRO/UKCA Governance Board whether there are any Assets which should be transferred to the alternative hosting body.
- 7.5 If the Parties are unable to find an alternative body to host the arrangement then this Agreement shall terminate on expiry of the twelve months' notice of withdrawal from the Host Force.
- 7.6 The Host Force shall not incur any Liabilities as a result of its decision to withdraw from its role as a Host Force and any Liabilities of the Host Force incurred as a result of the withdrawal or termination of the Host Force shall be met by the Parties in accordance with **clause 17**. For the avoidance of doubt, a Host Force shall be entitled to withdraw from its position as a host force and still continue to be a Party to this Agreement.
- 7.7 The Parties agree that the Host Force shall be entitled to make a charge for the provision of the Support Services (which shall be reasonable taking into account the scope and standard to which the Support Services are provided and shall be subject to the approval of the ACRO/UKCA Governance Board). The Host Force shall ensure that such Assets are used for the benefit of ACRO and shall not be appropriated for functions that do not form part of ACRO, albeit this does not preclude arrangements from being made for the sharing of assets, for example, the co-location of staff in Host Force accommodation where this would meet the operational needs of ACRO and constitutes the efficient use of resources.

10.2 The Host Force shall be responsible for the maintenance and replacement of all Assets.

10.3 All Assets, except where they are subject to third party ownership, which are used by ACRO as at the date of this Agreement shall continue to be used by ACRO and shall be held by the Host Force on behalf of ACRO. The Parties agree that there are no Assets as at the date of this Agreement which need to be novated or in any other way transferred to the Host Force.

10.4 As at the date of this Agreement, the Host Force and the Police and Crime Commissioner for Hampshire do not anticipate that they will be required to provide or purchase any new Assets for the purposes of providing the ACRO Activities.

10.5.4 the Host Force shall comply with its own policies in acquiring any new Assets; and

10.5.5 the cost of acquiring any new Assets shall be shared between the Policing Bodies in direct proportion to the FSS Allocation or shall be funded from the reserves detailed in **clause 17.2**.

10.6 If any new Asset needs to be purchased which has a cost of over £150,000 (an "Exceptional Asset") the ACRO Chief Executive shall, as soon as reasonably practicable prior to the meeting of the relevant ACRO/UKCA Governance Board which shall consider the purchase of the Exceptional Asset, notify the Parties of:

10.6.1 the proposed Exceptional Asset;

10.6.2 the reason for purchasing the Exceptional Asset; and

10.6.3 the cost of the Exceptional Asset.

10.7 Following notification pursuant to **clause 10.6**, any Party shall be entitled to respond to the ACRO Chief Executive prior to the meeting of the ACRO/UKCA Governance Board confirming

that it either approves the purchase of the Exceptional Asset or objects to the purchase of the Exceptional Asset (including giving reasons for any objections.) The purchase of each Exceptional Asset shall be considered by the ACRO/UKCA Governance Board and the Chief Officer of the Host Force taking into account any objections or issues raised by any Party to this Agreement and the reasons for those objections.

- 10.8 The Host Force and the Police and Crime Commissioner for Hampshire shall require ACRO to maintain an asset register throughout the duration of this Agreement setting out the list of Material Assets, the date of purchase of the relevant Material Asset, the location of the Material Asset and any other relevant information in relation to those Material Assets.
- 10.9 The Host Force and the Police and Crime Commissioner for Hampshire shall not be entitled to dispose of any Material Assets prior to consulting the ACRO/UKCA Governance Board. In the event of that the ACRO/UKCA Governance Board disagrees with the proposed disposal, the matter will be resolved in accordance with the dispute resolution procedure as defined in **Schedule 4**.
- 10.10 Any Liabilities that the Host Force incurs due to it carrying out its obligations in this **clause 10** shall be dealt with in accordance with **clause 17**.

11. **CONTRACTS**

- 11.1 All contracts that are required for the provision of the ACRO Activities as at the date of this Agreement have already been entered into in the name of the Host Force. The Parties agree that, as at the date of this Agreement there are no new contracts that need to be entered into nor contracts that need to be transferred or novated to the Host Force as at the date of this Agreement. If any new contracts are required to be entered into, this shall be determined by the Chief Executive of ACRO in consultation with the Chief Officer of the Host Force and the ACRO/UKCA Governance Board. If it is determined that any new contract needs to be entered into, the Police and Crime Commissioner for Hampshire shall enter into the relevant contract in accordance with the Scheme of Governance and in accordance with procurement legislation.
- 11.2 The Parties agree that:
- 11.2.1 any amounts payable under any contracts relating to the provision of the ACRO Activities shall be paid to the Host Force in accordance with **clause 12**; and
- 11.2.2 any Liabilities that the Host Force incurs due to it carrying out its obligations in this **clause 11** shall be dealt with in accordance with **clause 17**.

12. **FUNDING AND SERVICE PLANNING**

- 12.1 The Parties agree that in relation to the funding of ACRO, the basic principle is that the Host Force shall not make any financial gain, or suffer any financial detriment, as a result of the hosting of ACRO.
- 12.2 In consultation with the Chief Officer of Hampshire, the ACRO Chief Executive shall draw up a Strategy for the development and delivery of services for ACRO for a three year period, together with an annual Service Plan for ACRO which shall be presented to the ACRO/UKCA Governance Board for prior consideration and comments. The first such Strategy and Service Plan shall be for the period commencing 1 April 2016 but the Parties acknowledge that, as at the date of this Agreement, the Strategy and Service Plan are still being developed.
- 12.3 Following the recommendation of the Strategy and Service Plan by the ACRO/UKCA Governance Board, the Strategy and Service Plan shall be sent to the Chief Officer of the Host Force for consideration and adoption.
- 12.4 Where this Agreement refers to an agreed FSS Allocation, this is set out in Table 2 of **Schedule 5** to this Agreement. The Parties agree that, subject to any amendments required to the FSS Allocation pursuant to **clause 2.6.4**, the FSS Allocation is intended to be a fixed share for the duration of this Agreement and may only be amended following consideration and recommendation by the ACRO/UKCA Governance Board in exceptional circumstances.

- 12.5 The Parties acknowledge that the funding arrangements for ACRO are diverse. As at the date of this Agreement, the Parties agree that the future funding allocation is still being negotiated and will be agreed pursuant to this **clause 12**. It is anticipated that ACRO will be funded through contributions from Chief Officers' in agreement with their corresponding Policing Body, using the FSS Allocation, third party contributions from other ACRO users or top slicing from the police budget and ACRO reserves in addition to income generation. The proposed FSS Allocation to be paid by each of the Policing Bodies is set out in Table 2 of **Schedule 5** to this Agreement.
- 12.6 In accordance with normal financial planning and fiduciary duties, the Chief Executive of ACRO in consultation with the Chief Officer of the Host Force in relation to ACRO (and at the same time as preparing the Strategy and Service Plan pursuant to **clause 12.2**) shall plan the future financial requirements (including the applicable budget) for the following financial year in relation to ACRO. The Parties shall ensure that such future financial requirements and budget adhere to normal fiscal policy. Following preparation of the relevant financial requirements and the budget, the financial requirements and budget shall be discussed at the ACRO/UKCA Governance Board and following any recommended amendments to the budget by the ACRO/UKCA Governance Board, the ACRO/UKCA Governance Board shall recommend the budget to the Chief Officer of the Host Force for approval. The agreed budget shall be notified to the Policing Bodies and the other bodies who are responsible for providing funding.
- 12.7 The budget to be set by ACRO for each Financial Year pursuant to **clause 12.6** shall include details of all planned income and expenditure (including the cost of delivering the Support Services). It will identify the amount payable by each Policing Body (which is anticipated shall be paid in accordance with the FSS Allocation to the extent that amounts are to be funded by the Policing Bodies) and the anticipated revenue from third party sources.
- 12.8 The funding to be provided by each Policing Body as notified pursuant to **clause 12.6** shall be paid by the relevant Policing Body to the Host Force either annually or quarterly in advance, as notified by the Host Force.
- 12.9 The Host Force shall ensure that the relevant private sector parties or third parties who have agreed to contribute towards the running of ACRO pay their contribution to the Host Force within the timescales agreed. If the Host Force incurs any costs in pursuing such non-payments any costs incurred in doing so shall be met where practicable from existing budget provision, and where this is not practicable shall be treated as a Liability incurred in the running of ACRO to be met by the Parties in accordance with **clause 17**
- 12.10 A failure by any Party to this Agreement to contribute their agreed contribution by the date on which that contribution becomes due and payable will be dealt with in accordance with normal financial debtors processes which will be instigated by the Host Force. The costs of taking any such action shall be met where practicable from existing budget provision, and where this is not practicable shall be treated as a Liability incurred in the running of ACRO to be met by the Parties in accordance with **clause 17**. In such circumstances, the Host Force reserves the right to consider ceasing any specific service provided by ACRO.
- 12.11 If the Host Force is required to carry out any additional work over and above the requirements that are set out in this Agreement due to additional requirements of either a Police Force or a Policing Body then prior to carrying out any additional work, the Host Force and the relevant party requesting the additional work shall agree the additional cost which shall be paid by the relevant Policing Body to the Host Force within the timescale agreed between the Parties.
- 12.12 The Parties agree that in relation to that part of any funding to be paid by the Host Force pursuant to this **clause 12**, an internal invoice will not be generated but that the Host Force shall be required to internally transfer its contribution into the relevant account set up for ACRO on the date on which such amounts become due and payable pursuant to **clause 12.8**.
- 12.13 As set out in **clause 3.2** of this Agreement, ACRO shall have ringfenced accounts within the overall accounts of the Host Force. The Parties shall procure that the ACRO Chief Executive shall provide the Chief Finance Officer of the Host Force with regular budget updates and the budget for ACRO shall be included in the budget setting process for the Host Force, whilst remaining as ringfenced funds.

12.14 If at any time the ACRO Chief Executive considers that the budget for a Financial Year may be exceeded, the ACRO Chief Executive shall notify the Chief Officer of the Host Force and the ACRO/UKCA Governance Board of:

12.14.1 the amount by which it is projected that the budget will be exceeded; and

12.14.2 the reasons why, including the steps that are being taken to minimise any such excess.

The ACRO/UKCA Governance Board shall recommend to the Chief Officer of the Host Force whether the budget should be exceeded or not and where appropriate shall recommend how the excess budget should be funded as between the Parties or from the reserves detailed in **clause 17.2**.

12.15 The Parties agree to pay to the Host Force any additional amounts in respect of Liabilities which are incurred by the Host Force from time to time and to be shared between the Parties as determined pursuant to **clause 17** or any additional amounts to be paid to the Host Force determined pursuant to **clause 12.14** and which shall be invoiced by the Host Force to the Parties and paid for by the Parties as and when any relevant Liability or the additional cost (as applicable) is incurred.

13. **EMPLOYEES AND POLICE OFFICERS**

13.1 The Chief Executive of ACRO shall ensure that there are sufficient members of staff employed by or seconded to ACRO to enable the unit to fulfil the ACRO Activities. There shall be no reduction in established staffing levels without first consulting the ACRO/UKCA Governance Board. The staff necessary for the delivery of the services provided by ACRO as at the date of this Agreement are the staff employed or seconded as at the date of this Agreement to perform the functions of ACRO. The entering of this Agreement by the Parties does not necessitate the acquisition of additional staff or loss of staff.

13.2 All Host Force employees who are required to exclusively perform services in order to allow ACRO to achieve its functions will be under the day to day management of the Chief Executive of ACRO.

13.3 Subject to **clause 5.3**, any Host Force employees required to perform services in order to allow ACRO to carry out its requirements as set out under the terms of this Agreement will be subject to all policies and procedures of the Host Force including matters relating to discipline and grievance.

13.4 The Parties agree that they must all co-operate to ensure the smooth running of ACRO and minimise any employment law liabilities relating to the employment of the staff required to perform services on behalf of ACRO.

13.5 From time to time, it is recognised by the Parties that it will be necessary to second staff from any of the Parties to assist in the carrying out of the responsibilities of ACRO. The Parties agree to second such employees for such purposes as required to undertake and exercise the duties required by ACRO.

13.6 During a secondment period, any employee on secondment will be subject to the day to day management of the Chief Executive of ACRO and will perform all duties assigned to the employee by the Head of ACRO.

13.7 Throughout any secondment period, the employee on secondment will continue to be employed by the same employer and will not become an employee of the Host Force and will remain under the Direction and Control of the Chief Officer who employs such person. The employee on secondment will be subject to the secondment terms and conditions which are agreed between the Host Force and the relevant Police Force.

13.8 Employment Liabilities arising from the discharge of ACRO Activities shall be met where practicable from existing budget provision, and where this is not practicable shall be treated as

a Liability incurred in the running of ACRO to be met by the Parties in accordance with **clause 17**. Management of this process will be conducted by the Chief Executive of ACRO.

14. **TUPE**

There shall be no TUPE transfer for the purposes of this Agreement as all staff will remain employed by the Host Force on their terms and conditions.

15. **LAND**

ACRO shall carry out its activities from the premises set out in **Schedule 3** and the Chief Executive of ACRO shall procure that any necessary licences are in place to occupy such premises. If any alternative accommodation is required this shall be subject to the agreement of the Chief Officer of the Host Force and the Police and Crime Commissioner for Hampshire, taking into account the views of the ACRO/UKCA Governance Board. Any costs associated with securing alternative accommodation and any liabilities that the Host Force incurs due to it carrying out its obligations in this **clause 15**, shall be dealt with in accordance with **clause 17**.

16. **DISPUTE RESOLUTION**

Any dispute in relation to this Agreement that cannot be resolved through normal management processes should, where appropriate, be referred to the ACRO/UKCA Governance Board. If the ACRO/UKCA Governance Board is unable to resolve the dispute, the matter shall be resolved through the application of the provisions contained within **Schedule 4**.

17. **LIABILITIES IN RELATION TO THE RUNNING OF ACRO**

17.1 The Parties agree that although Hampshire Constabulary is hosting the arrangements for ACRO, any Liabilities incurred by the Host Force in relation to the activities of ACRO (which shall include any Liabilities that the Host Force incurs arising out of the hosting and provision of the Support Services and the employment or secondment of staff to ACRO) should be shared between the Parties. It is agreed that if a Liability arises in relation to ACRO, the Liabilities shall be met in the following order of priority:

17.1.1 firstly, if the relevant Liability is covered by the insurance arrangements referred to in **clause 20**, the Liability shall or to the extent possible shall be recovered by any insurance monies recovered;

17.1.2 secondly, and if approved by the ACRO/UKCA Governance Board, the relevant Liability shall be met from the existing budget provision;

17.1.3 thirdly, and provided that this is approved by the ACRO/UKCA Governance Board, the Liability shall be met from the reserve referred to in **clause 17.2**; and

17.1.4 notwithstanding **clause 4.12** to the extent that the Liability cannot be met in accordance with **clauses 17.1.1, 17.1.2** or **17.1.3** the Liability shall be shared between the Parties in proportion to the FSS Allocation.

17.2 The Parties acknowledge that, in order to cover the cost of any Liabilities that arise as a result of this Agreement or in relation to ACRO, which cannot be met pursuant to **clause 17.1.1** or **17.1.2**, an initial reserve of £4,000,000.00 (four million pounds) has been established within the accounts of the Host Force which may be accessed by the Host Force (following agreement by the ACRO/UKCA Governance Board). The Parties agree that the level of the initial reserve may be amended following the approval of the ACRO/UKCA Governance Board and the Police and Crime Commissioner for Hampshire Police.

17.3 The Host Force shall ensure that money is only withdrawn from the reserve in accordance with a protocol for accessing the reserve to be agreed with the Police and Crime Commissioner for Hampshire Police following the recommendation by the ACRO/UKCA Governance Board. If:

17.3.1 the ACRO/UKCA Governance Board determines that the reserve is not suitable to cover the relevant Liability or there are not sufficient monies standing to the credit

of the reserve, then the Policing Bodies shall be responsible for such Liability in accordance with **clause 17.1.4**;

- 17.3.2 the reserve falls below the Agreed Level of Reserve then the ACRO/UKCA Governance Board shall be entitled to request that the Policing Bodies contribute monies in order to increase the level of the reserves to an amount approved by the ACRO/UKCA Governance Board in which case the Policing Bodies shall pay into the reserve an amount agreed by the ACRO/UKCA Governance Board in proportion to the FSS Allocation for the relevant Policing Body.
- 17.4 Any Liabilities which arise in relation to the previous activities carried out by ACRO prior to the date of this Agreement, shall be met by the Parties in accordance with **clauses 17.1** and **17.2**.
- 17.5 Hampshire Constabulary and the Police and Crime Commissioner for Hampshire shall ensure that the needs and interests of ACRO are taken into consideration when making decisions about allocation or availability of resources which are used by ACRO and shall consult with the ACRO/UKCA Governance Board before making changes which will affect the resources or business interests of ACRO.
- 17.6 The Host Force shall enter into discussions with the Home Office with a view to securing an indemnity for any Liability incurred as a result of ACRO undertaking the UKCA-ECR activities. Where, and to the extent that, such indemnity is not provided, the Liability incurred shall be met by the Parties in accordance with **clauses 17.1** and **17.2**.
- 17.7 Provided that the Host Force has acted in good faith, the Police and Crime Commissioner for the Host Force and the Chief Officer of the Host Force shall have no further Liabilities to the Parties other than the Host Force's FSS Allocation. For the avoidance of doubt, this shall include where a Liability has arisen out of the Host Force acting negligently, in breach of any contract that has been entered into for the purposes of ACRO (including this Agreement), in breach of Legislation or in breach of a statutory duty.
- 17.8 The Host Force shall be solely responsible for a Liability where the Liability has arisen as a result of the Host Force not acting in good faith.
- 17.9 Where a Liability arises in respect of which the Host Force has a direct contractual claim or any other claim against a third party (eg: in relation to the maintenance of facilities), the Host Force shall use reasonable endeavours to pursue such claim against a third party. The costs of taking any such action shall be met where practicable from existing budget provision, and where this is not practicable shall be treated as a Liability incurred in the running of ACRO to be met by the Parties in accordance with **clause 17**.
- 17.10 Any claims made in connection with ACRO or in relation to the activities of ACRO that arise either prior to or after the date of this Agreement shall be handled by the Host Force.
- 17.11 The Parties to this Agreement are obliged to notify the Host Force if they receive any claims under the Agreement including any claims made in connection with any current or past activities of ACRO.
- 17.12 The Parties to this Agreement are obliged to provide the Host Force with such information, support, co-operation and assistance as the Host Force may require in connection with claims under the Agreement or in connection with the activities previously carried out by ACRO.
- 17.13 **Clause 21.3** shall apply in relation to any Liabilities arising following the date on which this Agreement is terminated.
18. **INDEMNITY**
- 18.1 Subject to **clauses 17.7**, **18.2** and **19.1**, where a Party is in breach of the provisions of this Agreement or has been negligent or has carried out an act or omission which has caused a Liability to occur (the "Defaulting Party") that Defaulting Party shall indemnify the other Parties against all losses, claims, damages, expenses, costs and charges, demands or proceedings

incurred by the other Parties as a result of the Defaulting Parties negligence, acts or omissions or breach of its obligations under this Agreement.

- 18.2 A Defaulting Party shall not be liable under **clause 18.1** where its negligence, acts or omissions or breach of its obligations under this Agreement were carried out with the approval, or under the instruction, of the ACRO Chief Executive, the Chief Officer of the Host Force or the ACRO/UKCA Governance Board in which case the provisions of **clause 19** shall apply.

19. **INDEMNITY IN RELATION TO THE HOSTING ARRANGEMENT**
