NON - CONFIDENTIAL FACTS AND ADVICE TO THE POLICE AND CRIME COMMISSIONER

INTRODUCTION AND BACKGROUND

Production of an annual report is a statutory requirement. Part 1, Chapter 3, Section 12 of the Police Reform and Social Responsibility Act 2011 states, "Each elected local policing body must produce a report (an "annual report") on — (a) the exercise of the body's functions in each financial year, and (b) the progress which has been made in the financial year in meeting the police and crime objectives in the body's police and crime plan"

This report concerns 2016/7.

It is also a statutory requirement that the report is shared with the West Midlands Police and Crime Panel:

"2) As soon as practicable after producing an annual report, the elected local policing body must send the report to the relevant police and crime panel.

(3)The elected local policing body must attend before the panel at the public meeting arranged by the panel...to— (a) present the report to the panel, and (b) answer the panel's questions on the report.

(4)The elected local policing body must— (a) give the panel a response to any report or recommendations on the annual report...and (b) publish any such response"

The Police and Crime Panel considered the annual report at its meeting on 11 September 2017. This is at Annex A.

The Police and Crime Commissioner's response to the Police and Crime Panel's recommendations is at Annex B.

The Annual Report, incorporating revisions arising from the Police and Crime Panel's recommendations, is attached.

Dissemination

It is a statutory requirement to publish the annual report, and it is for the Commissioner to "determine the manner" of publication. It is proposed that the annual report will be published on the Commissioner's website, and promoted via social media. A limited print run will enable copies to be sent to central libraries across the West Midlands.

FINANCIAL IMPLICATIONS

The annual report was designed with the assistance of WMP's Design and Print team and produced by the West Midlands Police and Crime Commissioner, therefore no external costs have been incurred in its preparation. Electronic dissemination incurs no additional costs. The cost of a limited print run will be met from within existing budgets.

LEGAL IMPLICATIONS

A decision to approve and then publish the annual report ensures compliance with the requirements of Part 1, Chapter 3, Section 12 of the Police Reform and Social Responsibility Act 2011.

EQUALITY IMPLICATIONS

Copies of the annual report in large print, other languages and alternative formats will be provided on request and the electronic version on the Commissioner's website is accessible to the screen reader adapted for the site.

Schedule of Background Papers

None.

Public Access to Information

Information contained in this decision is subject to the Freedom of Information Act 2000 and other legislation. This decision will be made available on the Commissioner's website.
