AGENDA ITEM 3

Strategic Policing and Crime Board

22nd February 2022

Questions from Members of the Public

- 1) What is West Midlands Police's attitude to Neighbourhood Watch?
(To be asked by Reg Banks)

- 2) Given the significant improvements in battery range of electric vehicles and their commercial availability, what progress has been made in transitioning WMP internal combustion vehicles to electric versions?
(To be asked by Brendan Connor)

- 3) Does the Police Vehicle Procurement Framework assist in delivering this objective by placing a premium on Life Cycle cost including carbon emissions as opposed to 'price sticker' cost?
(To be asked by Brendan Connor)
