

## **Petition summary:**

We are calling on the West Midlands Police & Crime Commissioner to do one of the following:

- Leave our existing Police Station open in Brierley Hill.
- If creating a new Police HQ for the Dudley borough, to locate this new HQ in Brierley Hill as the recognised strategic centre of the borough.
- Or, if going ahead with a new HQ station at Castlegate (which we strongly feel is a mistake due to its location on the edge of the borough), to not close the existing station in Brierley Hill until a suitable new location (with neighbourhood, response and front desk teams) is fully operational in Brierley Hill ward.
