

- **Improve where you Live?**
- **Make new Friends?**
- **Make a Difference?**
- **Get Fit?**

StreetWatch has been kept very simple, it is about going for a walk with your neighbours, getting to know people in the area and building up a sense of community spirit.

We ask for a commitment of at least two hours a month but you can do as much as you like.

StreetWatch is about being a visible presence to DETER crime and anti-social behaviour, NOT deal with it - that's our job. If you see something that needs to be dealt with, contact us using live chat/101 or 999. All members are vetted and trained, the training just involves watching a short video in the comfort of your own home then you create an account on our communication system which only takes a few minutes.

We go with you on your first two walks to check you are confident and know what you are doing and then you are able to go out without an officer. Your local officer will

continue to support your group and will attend at least one walk a month with you.

There must be at least two people on each walk for safety and you are given a high visibility jacket with "StreetWatch" on it so people know you are part of an organised group. You organise your own walks, go where you want to, for how long you want, when you want and you can even walk your dog at the same time!

It really is up to the group themselves how much or little they do, StreetWatch is for the community, by the community

Interested?

To get involved or for more information please email - streetwatch@westmidlands.police.uk including your name, postcode and phone number.
